

CLACIS

COMPETITION LAW ADVISORY

Who we are

CLACIS is a competition law advisory which focuses on all matters concerning competition law in Ukraine, Russia and Kazakhstan.

Services include all aspects of competition law:

- Representing before the antitrust authorities
- Handling cases on infringement on abuse of dominance, cartels
- Competition law compliance audits,
- Conducting trainings for clients (marketing, sales experts, lawyers, managers) on competition law practical application aspects (relations with competitors, contracts, inter alia, distribution agreements, unfair advertising)
- Negotiating the decreases of fines as well as possible immunity in leniency cases
- Obtaining merger control approvals
- Preparing legal opinions on various competition law matters, including with regard to the qualification of actions (cartels, anticompetitive concerted actions, abuse of dominance, unfair competition) and related risks, the compliance of the clients' contracts and other documents with competition law
- Conducting legal due diligence of companies for compliance with competition law
- Antitrust litigation
- Advising on distribution and contract related antitrust issues
- Representing client interests in public procurement
